

CARDIFF MARINE GROUP

Cardiff Marine Group Press Pack – August 2008

An introduction to Cardiff Marine Group

Cardiff Marine Group is proudly based in Cardiff, Wales. It is a privately owned business and is the holding company for Cardiff Marina, Cardiff Marine Village and Cardiff Marine Services.

As a group it provides a complete range of first class boating facilities and a comprehensive service solution to its customers.

Cardiff Marine Group is a fast growing organisation that currently employs 10 members of staff and is headed up by Robert Freemantle. Robert spent 5 ½ years as the harbourmaster for Cardiff Harbour Authority before joining Cardiff Marine Group as Operations Director.

Key Details

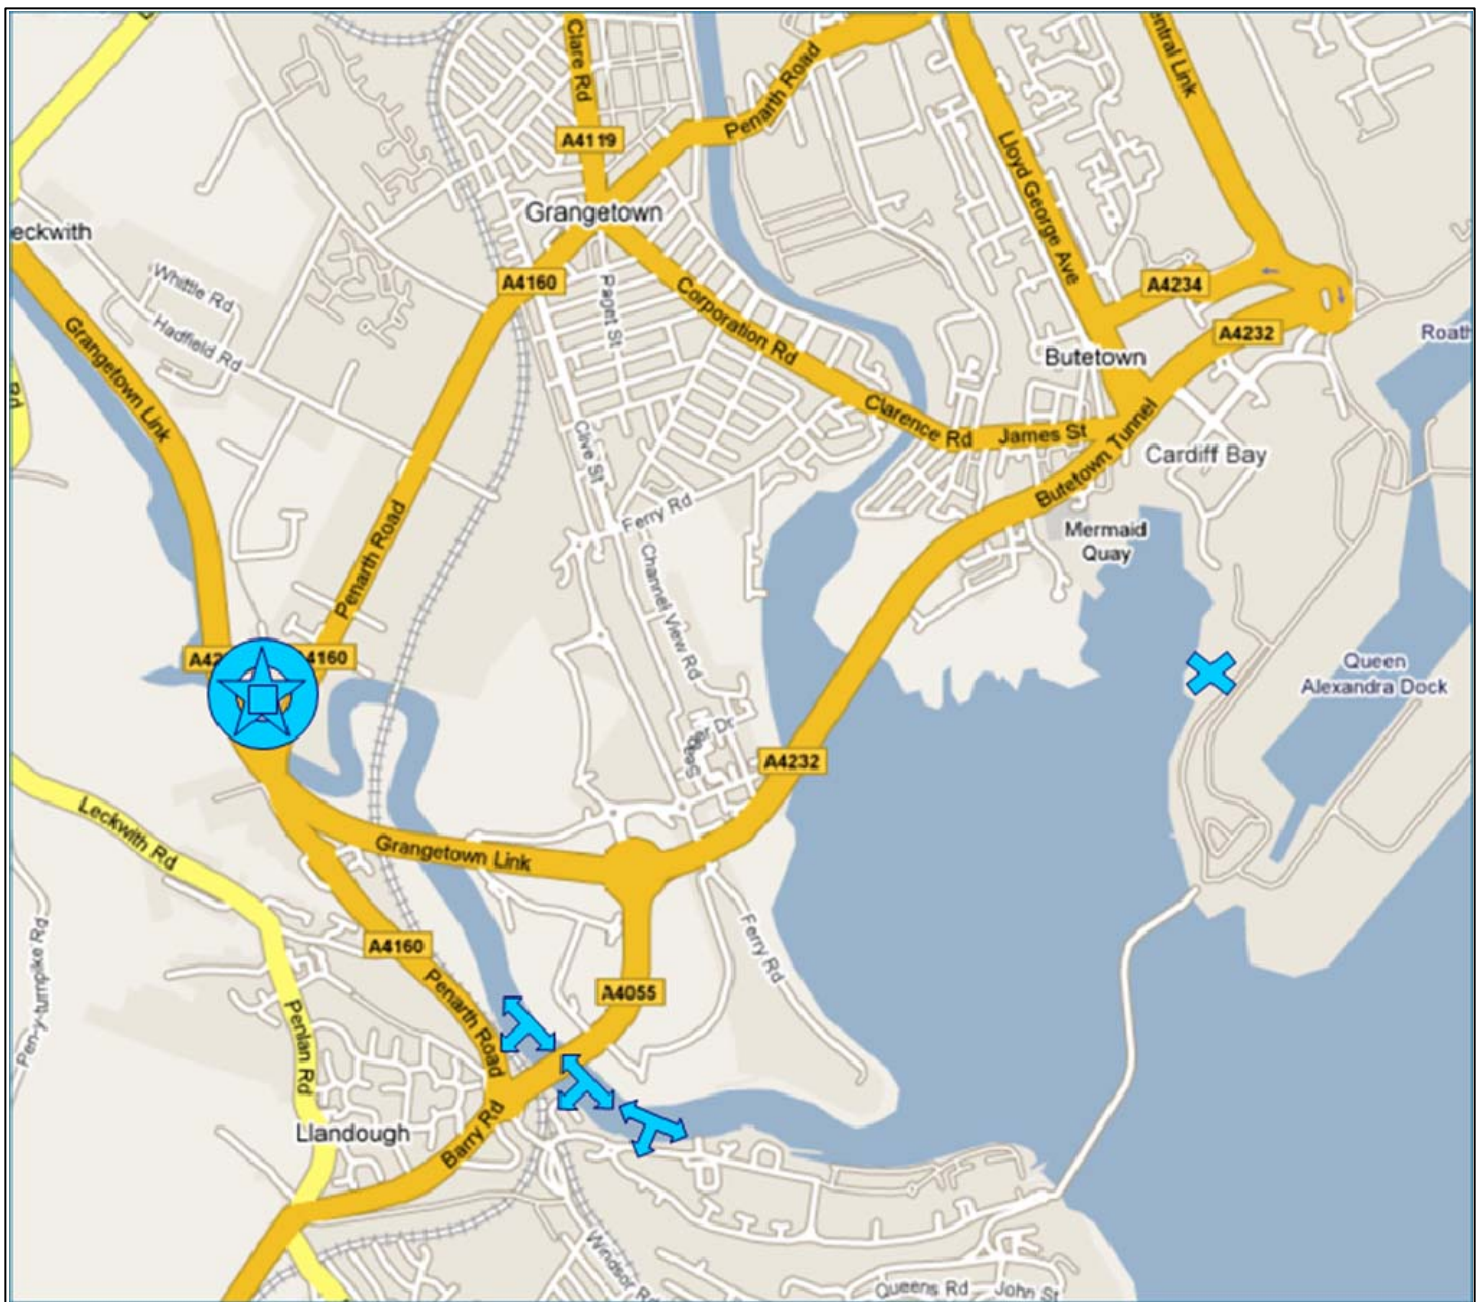

- Cardiff Marina – is a first class 350 berth marina
- Cardiff Marine Village – is a marine business park that is home to 10 businesses
- Cardiff Marine Services – is a specialist boat servicing & repair centre
- Cardiff 'Dry Stack' – is a boat storage facility offering 110 racked spaces
- Cardiff 'Hard Storage' – is a 2 ¼ acre hard storage area for up to 200 boats
- Cardiff 'Boat Lifting' – offers a comprehensive range of boat lifting services

Quotes

"Cardiff Marine Group provides the complete package to a boat owner. They can moor with us in the marina, service their boat with us in our state of the art boatyard and they can store their boat in our secure storage area when they want it out of the water. "

Robert Freemantle – Operations Director

The Company

Cardiff Marine Group was established following the acquisition of Cambrian Marine Services in January 2007.

The company boasts strong financial credentials allowing it to invest substantially in the development of its marine businesses as well as providing solid assurances to customers, suppliers and staff alike.

The owners and directors are seasoned business people and have substantial holdings in property, property management and investment companies as well as a Swiss Management Consulting firm.
